

Dear Host Family Applicant,

We are looking for several families to serve as private housing hosts for several Symetra Tour women's professional golfers competing in the IOA Golf Classic during the week of September 24 – September 30 at Alaqua Country Club. Players will require accommodations beginning on Registration Day, Tuesday, September 25 through the conclusion of competition on September 30. If you are able to accommodate Players before or after these dates, please indicate additional availability on your application below.

Housing Hosts will have the unique opportunity to spend time with Symetra Tour players that utilize the private housing program. As a Host, you will be providing a great service to the Players, allowing them to save on their weekly expenses, as well as giving them a comfortable home environment as an alternative to traditional hotel accommodations. Time and time again, we learn that lasting friendships are developed between Players and their Host Family.

As a Private Housing Host, here is what you can expect:

- Housing is for the PLAYER ONLY (no caddies, parents, significant others, siblings, etc.).
- Players may not bring their pets with them to their Host house.
- All Players will have their own transportation.
- You may host more than one player, but each player must have their own bed.
- Meals are not required; however, most Players will appreciate any meals or other provisions that are made available by their host family. If you wish to include your Player(s) in family meals, we encourage you to consult with them in advance so you can avoid any unnecessary expenditures if they have made other arrangements.
 - Please note: Player's schedules, tee times and practice times vary from day to day, so it may not always be possible to coordinate a convenient time for everyone to dine together. When possible, seek confirmation from your Player(s) before setting plans into motion.
 - If you want to provide food and beverages but have scheduling conflicts, you may consider prepared meals or simply offer for the Player(s) to utilize the kitchen to serve themselves.
- Players often need to do laundry. If you will allow the Player to use a washer and dryer in the home, please let them know and provide application instructions. If you do not have a washer/dryer, or prefer the Player not to use them, please indicate this on your Housing Application form.

If you would like to serve as a Private Housing Host for the Symetra Tour, please fill out the housing application and return it to the address listed on the bottom of the form. If you have questions or would like to discuss the housing program, please feel free to contact me via phone or e-mail:
